

INVITATION

k3 LAB DAY
05TH JULY 2019
9 AM TILL 3 PM

**LABORATORY OPENING & KEYNOTES
ON SYNTHETIC FUELS**

Take the opportunity to see the renewed and enlarged laboratory of k3 works.

After the complete renovation of the fuel laboratory infrastructure, we would like to invite you to the reopening in Treuchtlingen. In addition to guided tours of the redesigned laboratory building, there will be time for discussions and three exciting keynotes on the subject of synthetic fuels, followed by a panel discussion.

THE MOTTO FOR JULY 05TH 2019, WILL BE:

SYNTHETIC FUELS - FROM PRODUCTION AND PROPERTIES TO APPLICATION AND TESTING

- Laboratory reopening and tours through the lab
- Experts from academia, fuel suppliers and the VDA will give you profound insights into upcoming fuel technologies
- Meet other experts of OEMs, TIER 1 and TIER 2 suppliers
